

Kokkula Revanth

Hyderabad, India

kokkularevanth7@gmail.com — +91-7416417749

Professional Summary

Motivated Information Technology undergraduate with strong foundations in web development, machine learning, and cloud technologies. Passionate about building innovative software solutions and continuously enhancing technical skills.

Education

B.Tech in Information Technology 2024–2027

Mallareddy Engineering College and Management Sciences

Currently Pursuing

Diploma in Electrical Engineering 2020–2023

Percentage: 60%

SSC (CBSE) 2020

Millennium High School

Marks: 420/500

Technical Skills

Languages: Python, Java, JavaScript, HTML, CSS

Cloud and AI: Microsoft Azure, Google Cloud, Generative AI, Large Language Models (LLMs)

Data: Analytics, Visualization, Data Preprocessing, Feature Engineering

Web Development: Front-End Development, REST APIs, DBMS, SQL

Internship Experience

Web Development Intern – GenZ Educate Wing September 2025 – November 2025

- Completed a hands-on internship in Web Development using HTML, CSS, and JavaScript.
- Developed responsive web pages and gained practical experience in front-end development.
- Performance during the internship was recognized as commendable.

Projects

Fine-Grained Orchid Species Classification on High-Resolution Plant Images Using Machine Learning

- Built a machine learning model to classify orchid species from high-resolution plant images with fine-grained visual differences.
- Applied data preprocessing and feature engineering techniques to improve classification accuracy.

Certifications

- **Operating Systems** – Saylor Academy
- **Introduction to Cryptography and Network Security** – Saylor Academy
